

# Oskar Scoops Ping Pong Gong

Week 4 of the Horsham TT Matchplay evenings process provided some more exciting matches with 15 players battling it out in two streams. Oskar Crook made a spectacular debut by coming out top dog from a field of 11 in the B event. The Weald School 15 year old produced some excellent topspin shots and looks a real prospect along with school mate Matthew who was also impressive. Matthew's dad Colin completed the line up of successful new faces on the scene, all three winning through to context the top group in the second round.

Oskar's first round victims included Harry Llewellyn and the improving Bilal Rehman-Furs. Matthew had three first group opponents to negotiate but managed it without dropping a set and Colin too was blemishless in his initial exploits, only Jude Lane putting up any kind of resistance by taking one set as far as 15-13. It was Crook however that went into overdrive when the three newcomers came together in the second phase, preserving his unbeaten set record. Matthew came second courtesy of a five set win over his dad and making for a bit of household tension over the weekend.

Jude Lane won the second tier at the business end with wins over Harry Lewellyn and Charlie Alder. The West Chiltington lad continues to make good progress. Bilal Rehman-Furs won at level 3 with victories over Seal Alder and Steve Ledger whilst Gill Hood beat Charlie P at level 4.

In Division A old campaigner Ian Ford made his experience count win all matches and Tat On Man came second, although Chris Goodier pushed him to five sets in one of their two matches. Australian/French visitor Jean-Luc Petit displayed some good shots to despatch Goodier and even managed to take a set each off On Man and Ford. Best of luck to him as he now returns to playing regularly in the Brisbane league.
