

## More Great Matches Bring Friday Matchplay Season To a Close

The Friday TT Matchplay season closed at Collyer's last night with another super-grid of players getting in as many different matches as possible. Alain S reinforced his hardworking reputation by completing all his matches again and winning about two-thirds of them. James Anderson was one of his conquerors 21-19 and achieved a similar win percentage. Little Adrika S was at her bubbly best to the end using her points advantage to good effect to force close encounters in most of her games. Chris Goodier was generally dominant but found Adrika too hot to handle with her head start.

Tat On Man's defences remained fully intact for the evening. The youngsters still need to learn a trick or two more to their games to get one over him next season. Aalrin S had Ian Ford going with an incredible sequence of lucky nets taking him to a 10-6 lead and forcing the Horsham TTC Head Coach to take evasive action with some backhand spin serves that Big Al didn't like.

Bobby B, Leon L and Charlie P all keeping smiling and improving and enjoyed some mini-coaching sessions in and among their matches. Harry Llewellyn hit some left-handed wonder-strikes - that his hero Fan Zhedong, World Number 1, would have approved of - but he didn't hit them as consistently so the fan of Fan didn't win many of his matches. Jude L's results fluctuated widely over the duration of the evening. Benedict W's results again didn't quite match up to the effort he put in but he's gone in for an emergency haircut today so hopes are high that his vision of the ball will be improving soon.

Thanks to everyone for making the TT Matchplay such a success this season and here's looking forward to similar fun next season.
